

EverSet Fibers by Mohawk

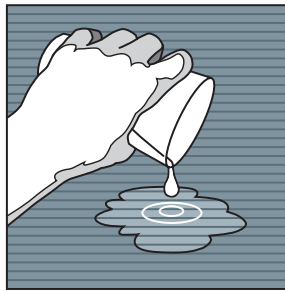

Ultimate Stain Resistance

Carpets made with EverSet Fibers by Mohawk offer the ultimate in stain protection while delivering maximum performance and color flexibility. Visit www.eversetfibers.com to view stain removal demonstrations and review our stain library.

A little cold water cleans up the toughest spills when your carpet has the patented protection of EverSet Fibers by Mohawk. With EverSet, 96% of all stains can be cleaned with just water, eliminating the need for harsh chemical cleaners, making carpet maintenance simple, less expensive, and environmentally friendly. EverSet is resistant to peroxide and chlorinated cleaning compounds, for continued protection to the carpet and its color, so your carpet stays looking newer longer. The industry's most advanced stain protection also has a Lifetime Stain & Color Warranty (see reverse).

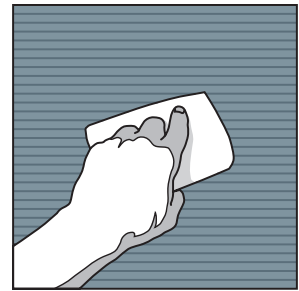

Identify the spill and blot or scrape up the substance.

Rinse the spill with a little cold water.

Blot or extract the area. Repeat if needed.

Repeat until area is clean and dry.

EverSet Fibers by Mohawk Warranty Highlights*

Carpets made with EverSet Fibers by Mohawk resists both acid type stains and neutral type stains. EverSet Fibers provide protection that won't wear off, walk off or fade away. You get yard after lustrous yard of revolutionary, colorfast carpet that ignores stains.

ITEMS UNDER WARRANTY

LIFETIME PROTECTION AGAINST STAINS

Shrugs off permanent stains by anionic (acid type) and neutral type products.

Non-water based stains such as oils, salad dressing and other oil based compounds will require the use of an approved mild detergent to emulsify (place in liquid form) the oils to prevent leaving an oily residue that may be colorless, but which may create soiling.

LIFETIME PROTECTION AGAINST COLOR TRANSFER

Resists color transfer from wear or abrasion.

LIFETIME PROTECTION AGAINST WATER BLEED

Color will not change or bleed when exposed to water damage.

LIFETIME PROTECTION AGAINST ACIDS AND ALKALIS

Color stands firm even when inadvertently exposed to alkaline (high pH) commercial cleaning solutions.

LIMITATIONS

Disfigurement or damage caused by abnormal use or any damage to the carpet not arising out of defects in the carpet. This includes tears, burns, pulls, cuts, installation on stairs, damage resulting from improper cleaning agents or methods, or damage in transit.

Excludes appearance change, due to pile distortion, and exposure to substances or contaminants which degrade or destroy nylon yarn.

Excludes dye lot variation and differential fading from light exposure.

Excludes carpet which has been subjected to treatments, conditions and cleaning agents, or maintenance methods not recommended or approved by The Mohawk Group.

Excludes abuse by any athletic equipment such as roller skates, ski boots, or golf shoes.

** See The Mohawk Group official warranty documents for further details.*
